EHRA Non-Faculty employee performance evaluations will operate in concert with SHRA employee performance evaluations on a fiscal year calendar, July 1st through June 30th.

4.2 Pre-Determined Criteria

Though no pre-determined set of criteria must be used when evaluating the performance of EHRA Non-Faculty employees, operative processes should include at a minimum the following:

4.2.1 Identification/Communication of performance expectations/goals/objectives for the upcoming appraisal period;
4.2.2 Identification/Communication of consequences for performance that does not meet expectations/goals/objectives;

4.2.3 Opportunity for employee self rating;

4.2.4 Opportunity for supervisor rating;

4.2.5 Approval of evaluation instrument by Human Resource Services designee;

4.2.6 Signatures of both employee and supervisor

**Note:** All evaluation instruments for EHRA Non-Faculty employees must be approved for use through Human Resource Services. Evaluation instruments that have been used previously must be sent to Human Resource Services for review and retention.

4.3 Completion

4.3.1 Once completed, departments should retain one (1) copy within a confidential personnel file and forward one (1) copy to the Office of Human Resource Services.
