4 Policy and Procedure Statements

4.1 Hiring Guidelines

4.1.1 When a staff (SHRA) position becomes vacant, the supervisor must follow established organizational lines to the appropriate Vice Chancellor or Chancellor for approval. Once the approval has been obtained and communicated to Human Resource Services, the position may be posted.

4.2 Hiring New Staff Employees

4.2.1 Permanent Staff Positions

4.2.1.1 Approval - Vacant staff (SHRA) positions must have the approval of the appropriate Vice Chancellor or Chancellor before the position can be filled. This information must be communicated to Human Resource Services in the form of a letter, E-mail or telephone.

4.2.1.2 Procedure Steps - Supervisors having a vacancy in a permanent position, full-time or part-time, should use the following procedure outline in filling the vacancy:

4.2.1.3. Internal Posting - Inform every employee under your supervision of the vacancy either through letter or by posting the vacancy on the employees' bulletin board. Allow five (5) working days for employees to apply.

4.2.1.4 Internal postings are completed in Human Resource Services and posted there as well as within the department where the vacancy occurs.
4.2.1.5 Recruiting - If the position cannot be filled internally, complete a Staff Employee Requisition form. Accurate completion of the form is necessary to assist Human Resource Services and the supervisor in the filling of the vacancy. The form is self-explanatory and requires specific information about the vacant position. If there are any questions regarding the form, please contact Human Resource Services.

4.2.1.6 The requisitions must be received by Human Resource Services no later than 12:00 noon on Thursday for the position to be posted the following Monday. All staff (SHRA) job vacancies must be posted for seven (7) work days. Normally the posting period will extend from Monday through Tuesday of the following week.

4.2.1.8 Interviewing - Select a minimum of three (3) applicants for interviews. (If not satisfied with the applications provided, the supervisor may review other applications for the position, keeping in mind that the best qualified have already been referred.) Notify Human Resource Services who will be interviewed. The supervisor may arrange the interviews and notify the applicants.

4.2.1.9 Selecting - Conduct interviews and select an applicant to fill the vacant position. Be especially careful to conduct all interviews in a manner that conforms to the University’s Equal Opportunity/Affirmative Action Plan. Any prospective employee must have a valid Social Security number before he or she is employed. Fictitious or Student I.D.’s issued locally will not be accepted for payroll purposes.
