Minors on Campus

Policy 111.1

1 Introduction

1.1 The purpose of this policy is to take affirmative steps to safeguard and protect minor children who visit Appalachian State University (“Appalachian”), participate in University sponsored programs on or off Appalachian property, or participate in third party programs and activities that utilize Appalachian property.

2 Scope

2.1 The policy applies to all faculty, staff, students, vendors and visitors of Appalachian who work with minors in University sponsored programs or who participate in third party programs and activities that utilize Appalachian property, including property that is owned, leased, used, or otherwise controlled by Appalachian.

2.2 This policy covers all minors as defined under this policy; however, it does not cover minors who:

1. have matriculated (i.e., a University student who has started their first day of classes or has declared their intention to enroll in classes as a student at Appalachian);
2. are on campus for a “dually enrolled” University program while also enrolled in a primary or secondary school;
3. attend events open to the general public, or private events or social functions, who are accompanied by their parent or guardian; or
4. are participants in the Appalachian Child Development Center, Lucy Brock Child Development Laboratory Program, or an Appalachian Laboratory School subject to N.C. Gen. Stat. § 116-239.5 et. seq.

Notwithstanding, unless otherwise expressed in this policy, any minor on University property who is not participating in a University sponsored program, or third-party program or activity on University property, must be accompanied by a parent or guardian at all times.

Program Staff may not supervise or interact with Minors until a satisfactory background check and sex offender check consistent with this policy has been completed.

4.2.2 Program Staff who are also employees of the University throughout the duration of the Youth Program may meet Section 4.2.1 obligations if the Program Staff member has successfully complied with the background check requirements of Appalachian Policy 602.30 - Criminal Background Reports. Third party Youth Programs, and other Youth Programs with Program Staff who are not Appalachian employees, must certify to Conference and Camp Services that all of their Program Staff have completed a criminal background check and sex offender registry screening before the Program Staff start date. Program Staff whose background check reveals a prior criminal conviction for a sex offense, a crime against children, a serious violent crime involving assault or injury to others, drug use or possession, weapon offenses, or animal abuse may not participate in a Youth Program.

4.2.3 Program Staff who will be transporting Minors are required to have a mandatory driver's license check. Any individual whose drivers' license check reveals serious driving-related convictions is not permitted to transport Minors as part of Youth Program responsibilities.

4.2.4 Background checks must be conducted, at minimum, every four (4) years. When background checks and driver license history checks are conducted, at minimum, the checks must look at the previous five (5) years, or since the Program Staff reached the age of 18, whichever is shorter.

4.2.5 Any Program Staff whose background check reveals a prior criminal conviction may be prohibited from participating in a Youth Program depending on the nature of the conviction and its relevance to the Program Staff members position.

4.2.6 All Program Staff must self-disclose any criminal convictions or any arrest involving a sex offense, a crime against children, a serious violent crime involving assault or injury to others, drug use or possession, weapon offenses, or animal abuse. The disclosure must be made during the initial enrollment of the Program Staff member in the Youth Program, as well as within three (3) business days of the conviction or arrest.
